

Southwest Florida Regional Technology Partnership

presents...

“TECHmatch-2012”

An evening of interaction between business and students.

Tuesday, April 17, 2012

5:30pm – 8:30pm: Detailed Agenda TBD

This year's panel will discuss and present on topics including: STEM, internships and developing our local technical talent pipeline.

New this year will be a student Digital Design portfolio review.

Location:

Edison Collegiate High School – Host sponsor for the event.

8099 College Parkway

Fort Myers, FL 33919

Employers - Meet your future employees, and tell them what you want them to know! Technology is integral in every part of business, and technology professionals will be increasingly important to the success of their employers.

Students - Come to TECHmatch to meet area employers and hear first hand their experiences and expectations of future employees.

Visit our website for up-to-date agenda details. **Pre-register** for the event now at www.swfrtp.org. **(All pre-registered attendance is free of charge).**
